

**** REVISED ****

April 14, 2026

Dear Valued Partners,

We're pleased to share an enhancement to our CFS IPI service, reflecting our continued commitment to providing flexible and reliable inland solutions for your cargo.

From our New Jersey CFS, cargo is now moving with increased frequency to key inland destinations:

- Norfolk, Virginia – now offering a **third weekly departure**, loading each Mon/Tue/Friday
- Miami, Florida – now offering a **second weekly departure**, loading each Mon/Thu

These additional departures from CODA NJ are designed to provide greater scheduling flexibility, improved transit consistency, and enhanced overall service reliability.

Should you have any questions or require assistance with booking or planning, please feel free to contact your local CODA representative, who will be happy to assist.

We appreciate your continued partnership and look forward to supporting your ongoing growth.
