CODA®
LOGISTICS AND DISTRIBUTION

Dear Valued Partners,

As we continue to look for ways to improve our services and make your day to day processes more efficient, we are pleased to introduce another enhancement.

Effective Monday, November 16, all IT numbers will be displayed directly on your CFS Import Inventory Report auto emailed to you nightly.

This added convenience eliminates the need to retrieve individual PDF documents through our website, saving you and your team valuable time with each ocean import shipment.

We hope you enjoy this added convenience and welcome it as another positive step in our continued efforts to make doing business with CODA easier and more efficient.

Thank you, as always, for your continued support and trust in our team.
